

York Central Action

Committee Meeting 27th March 2017

Welcome to: Paul Hepworth from Poppleton Road Memorial Hall and John Tull from the Hogate Beck Group. **Also Present:** Sam Leach, James Pitt (note taker), Sally McLean, Hannah Swierstra. **Apologies:** John Nelson, Jo Milner, Laura Outhart, David Finch, Lyn Langford.

Ward funding David needs to sign paper; councillors all support bid but it has first to pass through scrutiny group

Printing Hannah has had 5000 leaflets and some posters printed; we get them from her as needed. She has held off the banner until we know about the funding

Pop-ups Lyn, Sam and Sally will do St Paul's church on Sunday 2 April and James to contact church and get arrangements in place; James will do Our Lady's Acomb on Sunday 9 April (help needed please!); Sally to follow up with St Barnabas, also to attend coffee mornings at there and at St Paul's

Facebook page Needs to have capitals in name i.e. York Central Action (not York central action). Sam to ask Laura or Jo to do this if needed.

Information needed Hannah to find out when next ward committee is, also is there a project manager appointed yet? Sam to find out from Hiscox about impact of bike parking facilities. John Nelson to make contact with Civic Trust to see how we might work with them on transport issues. Paul will keep a watching brief on possible sources of funding (e.g. via York and N Yorks funding bulletin). John Tull is trying to get information from Environment Agency about Holgate Beck proposals. It is important that we all share information.

Web site Hannah will put all committee minutes onto the site in the interests of complete transparency

Expanding support / interest As well as Paul and John Tull who were at the meeting we have interest expressed by Richard Carew (chaplain to Archbishop of York), Tim Kinslow (The Leeman Rose / Lemo café) and Rob Askew (St Barnabas)

Next meeting Monday 3rd April at 6.45pm (James probably not there because of grandchildren)
